

## **2007 Chenin Blanc**

### **Background**

Chenin Blanc is Coriole Vineyard's principal white variety and was first planted in 1977. The drier than normal summer put a greater importance on vineyard management and careful fruit selection by our vineyard and winemaking staff.

### **Tasting Notes**

The '07 Chenin shows excellent green apple, passionfruit and lemon blossom aromas. The palate abounds with pear and passion fruit and has a crisp and crunchy acid finish. Drink fresh and enjoy!
