

2010 Sangiovese Shiraz

Background

In this popular blend Shiraz adds an attractive warmth and richness to the leanness of Sangiovese. Both the Sangiovese and Shiraz for this wine are sourced from Coriole's estate vineyards.

Tasting Notes

The nose shows redcurrant, cherry, dark chocolate and earthiness. Hints of licorice and spice lead into a medium bodied, juicy palate that displays dark berry and red fruit.

A wine that shows the best characteristics of both varieties. Some richness and lushness from the Shiraz with the Sangiovese imparting a savoury, structural edge. Drink now and over the next few years.
