

## **2007 Semillon Sauvignon Blanc**

### **Background**

Coriole Semillon Sauvignon Blanc has been produced since 1995. It is a fresh fruit style where the wonderful base of McLaren Vale Semillon gets aromatic lift with Adelaide Hills Sauvignon Blanc.

### **Tasting Notes**

An excellent example of the way these two varietals can work in harmony. Tropical aromas with kiwi fruit, mango and pear juice. The Semillon adds texture and weight while the Sauvignon Blanc imparts a fresh, crispness to the wine. A little restraint makes it an ideal match with food.

### **Technical Notes**
