

# CORIOLE

McLAREN VALE

Welcome to Coriole.

Great wine originally began as a complement to good food.

My earliest memories of wine are sitting around our own dining table just a few meters from where you now sit, with my Father, Mark Lloyd, presenting different blends and samples of the then current Coriole vintages to see how they stood against our evening meal.

With this wine list, we bring you some of those gems from the cellar, our current releases, small batch curios and a few European favourites. I'm sure that you will find a wine that complements your dining experience at Gather at

Coriole

Enjoy.

## LLOYD RESERVE | FROM THE MUSEUM

Shiraz is the flagship red wine of the McLaren Vale region, dating back to the 1850's. Lloyd Reserve Shiraz is produced from a single vineyard on the Coriole Estate planted in 1919, with the first wine from this block released in 1989. The wine is matured in French oak for around 20 months then we hold onto the bottles for a minimum of 18 months before releasing this decadent, sophisticated example of McLaren Vale Shiraz.

2002	Lloyd Reserve Shiraz (Halliday 95 points)	225
