LLOYD RESERVE SHIRAZ | FROM THE MUSEUM

Shiraz is the flagship red wine of the McLaren Vale region, dating back to the 1850's. Lloyd Reserve Shiraz is produced from a single vineyard on the Coriole Estate planted in 1919, with the first wine from this block released in 1989. The wine is matured in French oak for around 20 months then we hold onto the bottles for a minimum of 18 months before releasing this decadent, sophisticated example of McLaren Vale Shiraz.
